

ADRENALINE SPECIAL EVENTS

JOB OPENING: RACE TIMER/SCORER

Adrenaline Special Events and Santa Hustle Race Series have an immediate employment opportunity available for a professional, part-time Race Timer/Scorer. Adrenaline Special Events hosts over 20 events throughout the year and uses industry leading MyLaps Timing Systems.

We are looking for a passionate, detail-oriented, computer and technology savvy person with weekend availability to time and score events. Applicants should be comfortable and thrive in a fast-paced and sometimes stressful environment. This position requires some travel and the ability to work events on weekends in an outdoor environment. Familiarity with the running and triathlon industry is a plus.

Race Timer Duties and Responsibilities

- Learn and understand race databases and scoring software
- Set-up of computers and computer network on-site
- Enter and manage race day registrations and participant changes
- Perform race day timing functions providing fast and accurate results

Race Timer Requirements and Qualifications

- Must have a valid Driver's License and clean driving record
- Race timing/scoring experience is a plus
- Excellent communication skills, written and verbal
- Strong customer service skills
- Must be highly organized and able to perform under pressure
- Strong computer skills with the ability to quickly troubleshoot problems
- Proficiency in Microsoft Excel and data entry is a plus
- Ability to travel and work weekends and select holidays
- Ability to lift up to 40 pounds
